A Playdate with FSU Men’s Basketball

What a great ending to the spring semester! We would like thank the FSU Men’s Basketball team for coming and spending time at the Infant & Toddler Center.

A BIG THANK YOU TO…
Michael Saxton #31, Devon Bookert #1, Montay Brandon #32, Phil Cofer #0, Boris Bojanovsky #15 and Michael Ojo #50.

See more inside…
Dear Families,

Congratulations to all of our families who will be graduating this month. It has been no small task! We appreciate the hard work you have done and thank you for letting us be a part of your success. We wish you all the best as you move forward in your life.

For our parents that will be continuing with us we are excited about some changes coming up and we are looking forward to continuing to improve the service we provide to you. We are always open to suggestions so please do not hesitate to contact us with your ideas.

**New Information in the newsletter**

We are happy to announce some changes in our newsletter. Starting with this edition we are bringing you more information you can use. We have included a section on meal planning and healthy eating, book reviews and policy and advocacy information affecting children and families.

**Childcare Board Meeting**

On April 22, 2015 the FSU Childcare Board met to review accomplishments and vote on program changes. The following program changes were proposed and approved by the board.

- No increase in tuition at the Infant and Toddler Center
- 2% tuition increase in student and faculty & staff rates at the Children’s Center (effective August 1, 2015)
- No increase in community rate at the Children’s Center
- Increase the annual registration fee from $10 to $20 (effective August 1, 2015)
- Provide a one semester grace period at the student rate for parents who have graduated (effective May 1, 2015)

Given the significant increase last year in tuition and with the help of the CCAMPIS grant, there will be no increase tuition for upcoming year at the Infant and Toddler Center. There will be a 2% tuition increase at the Children’s Center. The community rate will not increase. **The new tuition rate will take effect August 1, 2015.** In 2013, as part of the 5 year strategic plan, the program took steps to create a Step Program to allow for a decrease in tuition as children transition from the Infant and Toddler Center to the Children’s Center. Part of this plan was to increase tuition at the Children’s Center 2% over the next five years. With the increase the tuition rate at the center is still well below the average rate of comparable centers in the area and remains close to the midpoint of the Florida campus child care centers. The 2% increase this year will help us to maintain high quality in our teaching staff and ensure that your children are receiving learning opportunities.

**Beginning August 1, 2015,** there will be a increase in the annual registration fee from $10 to $20. This rate has remained the same over the last 16 years. When we look at common practice across the county and state this rate is considerably lower that other centers. Our program has chosen not to charge enrollment and supply fees in order to remain student centered.

We are happy to report that the board approved a one semester grace period for students who have graduated. This policy will be **effective May 1, 2015.** This will allow students to receive the student rate for an additional semester after graduating. We hope this will help students prepare for their transition to graduate school or new jobs.

**Parent Meetings**

Parent meetings to review our accomplishments, program changes and receive feedback will be held in May.

- Infant and Toddler Center
  - May 12, 4:45-5:30 PM
- Children’s Center
  - May 13, 4:45-5:30 PM

**Parent Satisfaction Survey results**

Last month we sent out our Parent Satisfaction surveys. We are currently reviewing the results and will provide a write up of the results in the June newsletter.

As always it is a pleasure to be able to support you and your family!

*Tiffany Karnisky*

**Tuition Rates.** Tuition rates are assessed according to parent status. Non-refundable registration fee $10 upon enrollment and each Sept. 1, thereafter. Tuition is calculated on 44 weeks of care or 11 months. Tuition is not charged in August. Tuition is due on the first day of the month; late by the 10th day.

**Student Rate**
Undergraduate parents must be registered for a minimum of 6 hours and graduate student parents must be registered for a minimum of 3 semester hours. During the summer semester, if a student parent is not enrolled, to receive the student rate during the summer semester, the parent must be registered as student for the preceding spring semester and upcoming fall semester.

**Pell Recipient/Eligible student** *(under Infant and Toddler Center CCAMPIS Grant)*
To receive the Pell Grant student parent rates, the parent must be eligible to receive or be receiving Pell Grant funds.

**Military Connected Family student** *(under Infant and Toddler Center CCAMPIS Grant)*
To receive the Military connected student parent rate, the student must be in veteran or active duty status or have a spouse in veteran or active duty status.

**Faculty/Staff Rate**
Parents must be employed as an FSU faculty member, OPS, USPS or A&P staff member, FSU Visiting Scholar/Researcher/Post Doc. FSU employees enrolled as special students or as a student using the university tuition waiver will receive the Faculty/Staff rate.

**School Readiness Subsidies.**
Parents will be responsible for paying the full amount of tuition at the stated rate above.

Continued on next page
before the 10th of each month. Any subsidies from the School Readiness Program will be applied as a credit to your account when it is received from the agency.

School Readiness Program provides tuition assistance to eligible families who are working and/or attending school for a minimum of 20 hours per week. See more at: [link]

Withdrawal Notices

A thirty day written notice must be given to avoid incurring tuition fees past the date you plan to have your child participate. The notice must be submitted online or by paper form available at the center or at FSU Childcare & Early Learning Programs Office, 157-01 Herlong Drive.

Online forms are considered valid and binding once submitted. Paper forms must be signed and time/date stamped by a program staff member to be valid. Other notifications such as verbal communication with a staff member will not be considered valid notices.

Once a withdrawal form has been submitted, changes to an earlier date will not be accepted. Failure to give the required 30 day notice will result in monetary charges for a full month’s tuition irrespective of whether the child attends or not. This allows the centers and families adequate time to prepare for the child’s departure from the center and new families adequate time to enroll.

- *Mouse Tales* by Arnold Lobel
- *Owl Babies* by Martin Waddell, illustrated by Patrick Benson
Hope everyone enjoyed their Break. We are at the beginning of another wonderful semester and are looking forward to a great Summer. Last month we had so much fun working on April Showers and mud puddles!! We made rain boots, umbrellas and even had our animals play in mud puddles that we made. We also worked on gardening and celebrated Earth Day. We made garden collages and created our very own garden here at school. We have had so much fun planting, watering and watching our seeds grow!!!

We also had some very special visitors last month; some players from the FSU Men’s Basketball Team came to visit. Michael Saxton #31, Devon Bookert #1, Montay Brandon #32, Phil Cofer #0, Boris Bojanovsky #15 and Michael Ojo #50. They read some books, sang some songs and even played on the playground with us!! We had so much fun with our new, very tall, friends!!!

The first part of this month we will work on May flowers and second half of the month we will work on fairytales. We will go on nature walks to collect flowers to make a flower collage and dandelions to paint with. We will make tissue paper, finger paint and hand print flowers. We will be reading all different fairytales like the Princess and the Pea and The Three Little Pigs and then doing art and cooking activities to go with it, like making the three little pigs houses with pretzels, onion straws and blocks of Hershey’s bars. On top of our fairytales we will read some books like Ten Little Flowers, and How Does Your Garden Grow. We will sing Fairy Dance along with some of our favorite songs including “Flitter Flutter Butterfly”, and “Bringing Home a Baby Bumblebee”. We will enjoy the warmer weather outside.

It’s summer time once again and we will be having splash day once a week for the whole summer. You will need to bring in a bathing suit, swim diaper (if needed) and a towel for your child. Please check with your child’s teacher to see what day they will be splishing and splashing!!! We can’t wait!
My Preschool

* A book to introduce your child to Preschool *

Fred talks about why he loves preschool, and Rockwell’s bright artwork shows what fun he has there, from the first moments, when he puts his backpack and vest in his cubby with his name and the teacher says, “Good morning.” He plays at the water table, tells a story in circle time about how a raccoon tipped over the garbage in his yard, zooms trucks with another kid, enjoys his snack, sings with the music teacher, and more. It’s not all idyllic: one child cries when her mother leaves; another gets mad and knocks down all of Fred’s bricks; then the teacher has the boy say sorry, and the two friends play together outside. The pictures have the texture and look of a child’s artwork, set against lots of white space, and the close-up scenarios make this lots of fun for group sharing or one-on-one. Preschool. --Hazel Rochman

About the Author
ANNE ROCKWELL is the author and illustrator of more than one hundred books for young readers, including Welcome to Kindergarten, Big Wheels, and, most recently, Here Comes the Night. She has three grown children and four grandchildren, and lives in Greenwich, Connecticut.

Source: http://www.amazon.com
During the month of April the focus of our studies was the earth. The children enjoyed participating in many activities related to thematic studies on spring & weather, plants & flowers and Earth Day & recycling. Art projects included scrap paper rainbows, making paper ornaments from old construction paper, covering carrots in “mud”, painting with fruits and veggies, and recreating Picasso’s “Bouquet with Hands” with a bit of a 3D finish. In science we planted seeds and watched them grow. In dramatic play we enjoyed pretending to be Peter Rabbit in Mr. Macgregor’s garden, recycling truck drivers, and flower shop owners. In cooking, we made a thunder cake, potato soup, apple muffins, and pizza with cauliflower crust!

In May, we will study the great outdoors! We will learn about insects, birds, and field animals, like mice and rabbits. A few of our projects for May will include using painted tissue paper, like Eric Carle, to make ladybugs and building caterpillars with the letters of the children’s names along with birdseed ornaments. We will read books like The Very Hungry Caterpillar, Are You My Mother?, Owl Babies and Mouse Tales. Favorite songs for May include “Little Bunny Foo Foo” and “3 Blind Mice”. The letters for May are C for caterpillar and cottontail and I for insect and ibis. The color is Pink. We will learn the Bunny Hop and make our own cheese crackers from scratch! Family fun ideas: Spend lots of time outdoors exploring nature looking for insects. Borrow a field guide or bird book and see how many different birds you can identify on these beautiful spring days!

Safety reminder: As warmer weather has arrived it is wonderful to wear open shoes. But for the children’s safety closed toed, closed heeled shoes are still required. Thank you for helping us keep them safe as they run and climb on the mulch covered playground!

Congratulations to our staff and parents who are graduating!

Please join us on May 1st for an Ice Cream Social from 4:00-5:30 PM in the Rec Hall
Traveling with Infants and Toddlers

By Dana Johnson

Summer is here, time for vacation and visiting family and friends.

Here are some tips on traveling with Infants and Toddlers to make your trip a smooth one.

- First and foremost, PLAN ahead. Make lists of all the things you will need for your child while you are away from home.

- While on your trip it is important to keep routines as normal as possible. Infants and Toddlers need to have the structure that they are used to. Parents should not bend the rules just because they are away from home. Try to maintain your child’s sleeping habits.

- Feed your child before departure to avoid discomfort and irritability.

- Keep favorite toys, books, and songs on hand for entertainment. If possible have a new bag of toys for your child to enjoy while traveling. Finger puppets are most enjoyable for you to play with your child.

- Bring along child proofing equipment to ensure safe accommodations.

- If flying, sucking is essential. Remember to pack something for your child to suck on during take off and landing. The sucking motion will help your child’s ears. This might be a pacifier, bottle, or sippy cup.

- Pack plenty of diapers and a change of clothes for you and your child. Estimate one premium diaper for every hour of travel. They are better so you won’t need to change as often.

- Bring plenty of wipes and one or two cloth diapers to help clean up messes.

- Plenty of plastic baggies to store dirty clothes, diapers, and clean outfits.

- Bring blankets or cover for the babies crib. The feel and smell are familiar and that will help your child feel at home.

Remember, vacations are supposed to be fun, and with proper planning, yours will be.
Building a Healthy Plate of Food

MyPlate replaces the USDA Food Pyramid

By Bill Stacey

**MyPlate** is the new food icon that replaces the old food pyramid that most of us have grown up with. The new MyPlate icon is an easier way to visually see how to eat healthy at each meal. The Food Pyramid confused many people. The hope is that the new MyPlate icon will be more user friendly to consumers and that they will want to use this icon for choosing a healthier diet for them and their families.

On June 2, 2011, First Lady Michelle Obama and USDA Secretary Tom Vilsack released the federal government’s new food icon, MyPlate, to serve as a reminder to help consumers make healthier food choices. MyPlate is a new generation icon with the intent to prompt consumers to think about building a healthy plate at meal times and to seek more information to help them do that by going to ChooseMyPlate.gov. The MyPlate icon emphasizes the fruit, vegetable, grains, protein foods, and dairy groups. Later in 2011, MyPlate was launched as the Spanish-language version of MyPlate.

ChooseMyPlate.gov provides practical information to individuals, health professionals, nutrition educators, and the food industry to help consumers build healthier diets with resources and tools for dietary assessment, nutrition education, and other user-friendly nutrition information. As Americans are experiencing epidemic rates of overweight and obesity, the online resources and tools can empower people to make healthier food choices for themselves, their families, and their children.

MyPlate illustrates the five food groups that are the building blocks for a healthy diet using a familiar image – a place setting for a meal. Before you eat, think about what goes on your plate or in your cup or bowl.

Cinco de Mayo, May 5
On the morning of May 5, 1862, 4,000 Mexican soldiers smashed the French and traitor Mexican army of 8,000 at Puebla, Mexico, 100 miles east of Mexico City. This single military battle signified defeat of a European colonial power and a victory for the Mexican people. This battle was the roots of Cinco de Mayo. It is important to note that Cinco de Mayo is not the celebration of Mexican Independence which is celebrated on September 16th. What Cinco de Mayo has come to be is much more than one battle in the colonial history of Mexico. Rather, it has come to signify Hispanic and Mexican pride and a time to celebrate the rich culture. Today, this holiday is celebrated by Mexicans, and especially the Hispanic community in the U.S. It is a time of song, dance, partying, and in general a time to be proud of being of Hispanic descent.

Mother's Day, May 11
The earliest Mother's Day celebrations can be traced back to the spring celebrations of ancient Greece in honor of Rhea, the Mother of the Gods. During the 1600's, England celebrated a day called "Mothering Sunday," which was celebrated on the 4th Sunday of Lent and honored the mothers of England. As Christianity spread throughout Europe, the celebration changed to honor the "Mother Church" - the spiritual power that gave life and protected the people from harm. Over time the church festival blended with the Mothering Sunday celebration. People began honoring their mothers as well as the church. In the United States, Mother's Day was first suggested in 1872 by Julia Ward Howe as a day dedicated to peace. Howe would hold organized Mother's Day meetings in Boston every year.

In 1907, Ana Jarvis from Philadelphia began a campaign to establish a national Mother's Day. Jarvis persuaded her mother's church in Grafton, W.V., to celebrate Mother's Day on the second anniversary of her mother's death, the second Sunday of May. By the next year, Mother's Day was also celebrated in Philadelphia. Jarvis and her supporters began to write to ministers, businessmen, and politicians in their quest to establish a national

The NAEYC for Families website at http://families.naeyc.org/ offers a wealth of information and resources for parents of young children. Families Today features articles from Dr. T. Berry Brazelton and Dr. Joshua Sparrow. Dr. Brazelton, renowned pediatrician and behaviorist and child development expert, and Dr. Sparrow, child psychiatrist, offer parents reassuring information and tips on the developing child. Topics includes articles and even more tips for parents.
**Continued from previous page**

Mother's Day. It was successful as by 1911, Mother's Day was celebrated in almost every state. President Woodrow Wilson, in 1914, made the official announcement proclaiming Mother's Day as a national holiday that was to be held each year on the second Sunday of May.

---

**Memorial Day, May 26**

Memorial Day, originally called Decoration Day, is a day for Americans to remember those who died in the nation's service. After the Civil war, many people in the North and South decorated graves of fallen soldiers with flowers. In the Spring of 1866, Henry C. Welles suggested that the patriots who had died in the Civil War should be honored by decorating their graves. Later a committee was formed to plan a day devoted to honoring fallen soldiers. Townspeople made wreaths, crosses and bouquets for each veteran's grave. The village was decorated with flags at half mast. On May 5 of that year a processional was held to the town's cemeteries, led by veterans. The town observed this day of remembrance on May 5 of the following year as well. Decoration Day was officially proclaimed on May 5, 1868 by General John Logan in his General Order No. 11, and was first observed officially on May 30, 1868. The South did not observe Decoration Day, preferring to honor their dead on separate days until after World War I. In 1882, the name was changed to Memorial Day, and soldiers who had died in other wars were also honored. In 1971, Memorial Day was declared a national holiday to be held on the last Monday in May.

Children’s Center
May 13, 4:45-5:30 PM
Home Depot Kids workshops are "how-to workshops" designed for children ages 5-12. The hands-on sessions are offered on the first Saturday of each month at all Home Depot stores. The workshops offer useful projects including the creation of toolboxes, fire trucks and mail organizers, as well as more educational projects, such as a window birdhouse, bughouse or Declaration of Independence frame kit. In addition to the newly constructed project kit, each child receives a kid-sized orange Every third Saturday of the month, in our Education Annex, children ages 3-5 are welcome to join us for PreK ArtSparks – Art Explorations! Join us as we explore different art mediums each month through fun, engaging hands-on art activities. Each class has new and exciting projects for parents and their children to enjoy! Website: www.lemoyne.org

From Saturday, May 23, 2015 - 8:00 am to Sunday, May 24, 2015 - 11:00 pm
Location: Stephen Foster Folk Culture Center State Park: White Springs Florida 32096
Cost: Children under 6: FREE, Ages 6-16: $5, Adults: $30 for one day and $60 for all weekend
With the best of Florida’s music, arts and culture there is something for everyone. You’re sure to hear plenty of wonderful music, enjoy tasty food, join a jam session, take a workshop, do a little shopping and pay tribute to Florida’s land, people and diverse cultural heritage. In addition to a full schedule of performances, you’ll find plenty to amuse and educate. Folk artists and tradition-bearers presented each year in the Folklife Area reflect research and field documentation conducted by the Florida Department of State’s Folklife Program. The 2015 Folklife Area celebrates the diverse cultures of St. Johns County. Since 1953, folk artists have come together for this event. One of the oldest state folk festivals in America will continue a grand tradition of celebrating Florida’s land, food, people and diverse cultural heritage. With more than 300 performances by Florida’s greatest folk and roots artists, including national recording artists, songwriters and musicians of swing, folk, blues, gospel, country, Latin, jazz, bluegrass, Caribbean and zydeco music, it is truly an event not to be missed. Website: www.floridastateparks.org

Every Saturday 11:00 AM-2:00 PM is Kids’ Day at Uncle Maddio’s! Parents get a “date” lunch while the kids learn REAL arts, crafts, face painting and more! There’s a new art project every week! Bring kids ages 3-13 Website: uncelmaddios.com

Sunday nights
5:30-10 PM Cascade Park
Thursday nights
6-9 PM Lake Ella, live music
